

PROFESSIONAL STAFFING

PROVIDING THE RIGHT PERSONNEL FOR ALL YOUR STAFFING NEEDS

Pace Analytical Life Sciences (PLS) provides flexible services that allow our clients to concentrate on their core business. When the fee-for-service or price-per-sample analysis model does not meet your needs, we can deliver integrated staffing solutions that support your organizational infrastructure.

- Dedicated staffing resource on-site at PLS laboratory
- Professional Scientific staffing at your site

For more than 12 years, we have provided quality recruiting, hiring and placement.

- Direct Hire
- Temp-To-Hire
- Temporary

Pace Analytical Life Sciences specializes in identifying qualified candidates who have the necessary skills to be productive. We recruit, assess, hire and manage your employee base. Our thorough staffing services ensure your continued satisfaction and help you increase productivity and profitability by reducing overhead, sourcing and HR management costs.

- Ad Placement
- Background Checks
- Candidate Interviews
- Drug Screening
- Qualified Candidate Pool
- Resume Screening
- Web-Based Time Entry

At Pace Analytical Life Sciences, we are committed to finding the right person for your staffing needs to ensure that your expectations are met every time.

- Microbiologists
- Chemists
- Lab Technicians

Let Pace Analytical Life Sciences (PLS) partner with you to deliver customized and measurable results by effectively recruiting, hiring, staffing and optimizing your laboratory staffing.

Pace Analytical Life Sciences operates two state-of-the-art laboratories totaling over 60,000 square feet of laboratory space: one in Oakdale, MN; the other in San German, Puerto Rico. Our labs are cGMP-compliant, FDA established, DEA registered and ISO/IEC 17025:2005 accredited.
