We are pleased to announce that the *Star Tribune* has named Pace Analytical as one of the "Top Workplaces 2011" — a list of the 140 best places to work in Minnesota. The list was published on Sunday, June 19, 2011.

The evaluation for the Top Workplaces program is determined by feedback from an employee survey, and recognizes the most progressive companies in Minnesota based on employee opinions about organizational leadership, communication, career opportunities, workplace environment, managerial skills, pay and benefits.
